Philipp Selva

T H E PHILOSOPHY

Philipp Selva è sinonimo di stile e raffinata eleganza dove gusto ed innovazione non seguono la tendenza ma ne sono gli artefici. Passione, creatività e ricercatezza rivelano un lusso discreto. Collezioni e pezzi unici sono pensati e creati per dar forza ad uno stile di vita sofisticato, senza tralasciare il piacere ed il confort di vivere la casa giorno dopo giorno. Radici classiche e lavorazioni pregiate, proprie del nostro passato, avvolgono spazi e luoghi senza tempo. Questa è la filosofia di Philipp Selva.

Philipp Selva is synonym of style and understated elegance where taste and innovation don't follow the trend but are the makers of it. Passion, creativity and refinement reveal a quite luxury. Collections and unique pieces thought and created to set up a sophisticated lifestyle, without forgetting the pleasure and the comfort of living the home day by day. Classical roots and refined workmanship, belonging to our past, enwrap timeless spaces and places. This is Philipp Selva's philosophy.

On top of the sideboard is a rectangular tray with a gold-colored border and a textured, patterned surface. On the tray are several decorative items: a tall, white, cylindrical object with a gold band, a small, white, sculptural piece, and a small, white, sculptural piece. The background shows a light-colored, herringbone-patterned floor and a portion of a white wall.
